

INSTALLATION AND SAFETY INSTRUCTIONS

FOR YOUR SAFETY

WARNING: BE SURE THE ELECTRICITY TO THE WIRES YOU ARE WORKING ON IS SHUT OFF. EITHER THE FUSE REMOVED OR THE CIRCUIT BREAKER OFF .

GENERAL

You don't need special tools to install this fixture. Be sure to follow the steps in the order given. Under no circumstances should a fixture be hung on house electrical wires, nor should a swag type fixture be installed on a ceiling which contains a radiant type heating system. Read instructions carefully. **NOTE: Read the instructions carefully. If you are unclear as to how to proceed, consult a qualified electrician.**

ASSEMBLY

Carefully remove the fixture from the carton and check that all parts are included, as shown in Figure 1 & 2. Be careful not to misplace any of the screws or parts which are needed to install this fixture.

WARNING: FOR FIXTURES PROVIDED WITH 75° C OR 90° C SUPPLY WIRE WARNING ONLY (THESE WARNINGS ARE PROVIDED ON THE U.L. LABEL AND ON THE FIXTURE CARTON).

WARNING: RISK OF FIRE. MOST DWELLINGS BUILT BEFORE 1985 HAVE SUPPLY WIRE RATED 60° C. CONSULT A QUALIFIED ELECTRICIAN BEFORE INSTALLING.

INSTALLATION

HC-119

IMPORTANT: DO NOT ATTACH FIXTURE DIRECTLY TO OUTLET BOX.

STEP 1:

Thread mounting screws (B) in through top of mounting bar (A) (raised side is top, as illustrated). Run screw threads (B) all the way down to the heads. Secure mounting bar (A) to outlet box with the outlet box screws (not supplied).

STEP 2:

Thread center pipe (E) into coupling (J) until secure.

STEP 3:

A. Take note of the color of the wire(s) on your fixture. Identify which group your fixture wire(s) fall into and connect the wire(s) according to the directions below:

GROUP A: CONNECT TO BLACK HOUSE WIRE	GROUP B: CONNECT TO WHITE HOUSE WIRE
BLACK 	WHITE 
*PARALLEL WIRE (ROUND & SMOOTH) 	*PARALLEL WIRE (SQUARE & RIDGED) 
WHITE OR GREY WITH TRACER 	WHITE OR GREY WITHOUT TRACER 
BROWN, GOLD OR BLACK WITHOUT TRACER 	BROWN, GOLD OR BLACK WITH TRACER 

*NOTE: When parallel wire is used, the tracer wire is square shaped or ridged, and the less tracer wire is round in shape or smooth. (Seen best when viewed from wire end.) To separate wires, grasp the ends of each wire and pull apart.

B. Take your fixture wire(s) from group A and place evenly against the black wire from the outlet box. DO NOT twist wires together before using wire connectors.

C. Fit a wire connector (not supplied) over the wires and screw the connector clockwise until you feel a firmness.

D. Try gently to pull the connector off the wires. If you can pull the connector off, carefully re-do steps B and C, as above, and check again for a firm connection.

E. Connect the fixture wire from group B to the white wire from the outlet box in the same manner.

STEP 4:

GROUNDING INSTRUCTIONS: The green grounding screw (Z) is to be inserted into the hole with two raised dimples provided on the mounting bar. Wrap the ground wire from the fixture (if supplied) and the ground wire from the outlet box (bare metal) or green insulated wire around the green grounding screw on the mounting bar.

NOTE: Underwriters Laboratories (U.L.) does not require all fixtures to have ground wires. These fixtures still meet all U.L. specifications. The listing mark of Underwriters on the product identifies products manufactured under its listing and Follow-Up Service Programs.

NEVER CONNECT GROUND WIRE TO BLACK OR WHITE POWER SUPPLY WIRES.

FINAL ASSEMBLY

Make sure no bare wires can be seen outside wire connectors.

STEP 1:

After wires are connect, tuck them carefully inside outlet box. Raise the canopy (C) to the ceiling allowing for mounting screws (B) to protrude through holes in canopy (C). Secure in place with cap nuts (D).

STEP 2:

Install lamps.

STEP 3:

Place diffuser (F) on center pipe (E) of canopy (C) and secure in place with trim cap (G) (if applicable), round nut (H) and fixture knob (I).

CLEANING

To clean, wipe fixture with a soft cloth. Clean glass with a mild soap. Do not use abrasive materials such as scouring pads or powders, steel wool or abrasive paper.

ORDERING PARTS

Keep this sheet for future reference, and in case you need to order replacement parts. All parts for this fixture can be ordered from place of purchase. Be sure to use exact wording from illustration when ordering parts.
