

Tailored® Vanity Collection

In-drawer Electrical Outlet

K-99566

Features

- Two 110v GFCI Outlets for powering or charging appliances.
- On-Off switch on face of unit for easy control.
- Can be installed in the back of the drawer without reducing drawer extension
- Fits all Tailored Vanity Collection drawers (except split-top drawer).
- Plug and play design allows unit to be installed as an accessory in drawer and plugged into GFCI protected outlet - no hardwiring into the home necessary.
