

**PRODUCT DESCRIPTION**

A playful grouping of globe and tapered cylinder glass shades feature a distinctive striped pattern as they are held from crown-like fonts. Spiritedly vintage and excitingly modern, this fashionable series of outdoor rated sconces and pendants connects styles generationally and with renewed imagination. The wide stripes of etched glass are separated with thinner clear glass lines softening the light source in a unique and approachable pattern. The crown tops feature sharply pleated angles that recall the iconic pineapple lanterns, but has updated them with an updated appeal. Sophisticated and full of energy, this design evokes the timeless spirit in Americana tastefully.
