Re-Bar

Re-Bar pendants are inspired by industrial and vintage electric elements, created from a common masonry structure – a steel reinforcing bar. The coarse material is paired with bright Chrome to provide an intriguing visual contrast. In addition to Urban Industrial and Vintage Electric styles, Re-Bar is ideal for updating Modern Farmhouse interiors.

- Re-Bar pendants are inspired by industrial and vintage electric elements
- Created from a common masonry structure – a steel reinforcing bar
- One light mini pendant with Polished Chrome finish
- Uses one 60 watt max. medium base bulb.
- Perfect showcase for vintage style light bulbs, including Progress Lighting's P7825-01 or P7827-01
- The coarse material provides an intriguing visual contrast
- In addition to Urban Industrial and Vintage Electric styles, Re-Bar is ideal for updating Modern Farmhouse interiors
- Progress Lighting Design Series, a collection offering fashionable styles and affordable luxury
- These pendants can be displayed individually or in groupings of two or more for a customized look
- Group pendants over kitchen islands, modern farmhouse dining tables or in foyers and entryways
